

**Our Older male gets ear infections. It was so severe that The vet discussed surgery. A fellow breeder (of German Shorthairs) suggested this recipe. The theory is that it acidifies the ear killing any virus there. While he still gets the infections now and then, we are able to treat it.**

**RECIPE FOR EAR SOLUTION**

**3 CUPS ISOPROPYL ALCOLHOL  
1/2 CUP BORIC ACID POWDER  
12 DROPS OF GENITIAN VIOLET**

**APPLY TWICE A DAY FOR A WEEK  
THEN ONCE A DAY FOR A WEEK  
THEN DECREASE THEREAFTER,  
DEPENDING ON THE CONDITION OF  
THE EAR.**

**This needs to be shaken before use.  
Beware of Gentian violet, it STAINS!**

**Living the the northwoods of Wisconsin the possibility of “skunking” is real. So far we’ve been lucky and no one has come home needing this recipe. It was suggested to us by a neighbor who had some experience. We have passed it on and a few people have used it with great success It is also on the internet**

**RECIPE FOR DE-SKUNKING!**

**1 QUART 3% HYDROGEN  
PEROXIDE  
1/4 CUP BAKING SODA  
2 TSP. DAWN DISH LIQUID**

**MIX WELL IN BUCKET, AND BATHE  
DOG.  
RINSE WELL .  
REPEAT IF NECESSARY, BUT SELDOM  
NEEDED.**
